FEEDING DIRECTIONS:

Feed Buckeye® Gold 'n Show Pig Pellets as the sole ration ad libitum to growing animals from 44 lbs. to show or market. Maintain animals in a dry, well-ventilated environment. Provide clean fresh water at all times.

This product contains high quality fishmeal and whey. It does not contain any other animal product or fat, but only high quality plant proteins, fats, and carbohydrates. Buckeye® Gold 'n Show Pig Pellets do not contain an antibiotic, but does contain yeast products and a balance of minerals to help maintain a healthy digestive system.

PLEASE STORE IN A COOL DRY PLACE
