FEEDING DIRECTIONS

Feed Buckeye® 17% Deer Ration to does year round and to bucks during breeding season when they are with the does. Feed Buckeye® 17% Deer Ration free choice at the rate of approximately 1.7% to 3.5% of body weight in a protected feeder. Maintain a good supply of browse, good quality hay, or pasture. Provide free access to clean, fresh water at all times as well as Buckeye® T.M. Salt with Selenium. Do not feed this product if the feed has become moldy or out of condition.

PLEASE STORE IN A COOL DRY PLACE
