Vitamin D (Min)	300 IU/lb
Vitamin E (Min)	100 IU/lb

*Starch + Sugar = NSC

► Scientifically formulated to provide premium quality ingredients.

► Unchanged formulas for optimum digestive health.

FEEDING DIRECTIONS

This feed is for mature, maintenance or lightly worked horses that are eating grass or mixed hay/pasture. Feed 1/2 lb of Pleasure Sweet for every 100 pounds of body weight (for example, 5 lb of Pleasure Sweet for a 1,000-lb horse.) One quart of Pleasure Sweet weighs approximately 1.1 lb

1. Forage values are suggested intakes based on good quality forage. The quality and digestibility of the forage is variable and dependent on the maturity of the plant at harvest. Horses older than 6 months should be fed at least 1% of bodyweight as forage to maintain gut health.
2. When possible, have your forage analyzed to estimate quality and digestibility.
3. If the recommended minimum feeding rate is not met, either: a.) Add 1-1.5 lb of GRO 'N WIN™, GRO 'N WIN™ Alfa or Senior Balancer by BUCKEYE™ Nutrition for every 5 lb of Pleasure underfed. b.) Go to BuckeyeNutrition.com or call (800) 898-9467 for access to our equine nutritional experts.
4. Provide fresh, clean water and salt at all times.

Contact BUCKEYE Nutrition for additional feeding recommendations

INGREDIENTS

Wheat Middlings, Cracked Corn, Whole Oats, Cane Molasses, Soybean Hulls, Soybean Oil, Calcium Carbonate, Ground Corn, Soybean Meal, Salt, Dehydrated Alfalfa Meal, Propionic Acid, Calcium Phosphate, Vitamin E Supplement, Manganese Sulfate, Stabilized Milled Flaxseed, Zinc Sulfate, Choline Chloride, Ferrous Sulfate, Copper Sulfate, Magnesium Oxide, L-Lysine, Sodium Selenite, Thiamine Mononitrate, Zinc Proteinates, Manganese Proteinates, Riboflavin, Copper Proteinates, Vitamin D3 Supplement, Vitamin A Supplement, Selenium Yeast, Ascorbyl-2-Polyphosphate.

**WARNING: CONTAINS ADDED COPPER. DO NOT FEED TO SHEEP.
STORE IN A COOL, DRY PLACE.**
